SoutheastCon 2006

March 30th - April 2nd

2006 Student Branch T-Shirt Contest Rules

The T-shirt competition will be similar to the past T-shirt competition where it is required for the schools to have the IEEE logo, school name and/or SoutheastCon 2006 incorporated into the shirt. Both sides of the shirt do not need to have designs on them, but if both sides of the T-shirt are designed the school must turn in two shirts for the competition. Each student branch may enter at most one t-shirt design, regardless of the number of branch chapters present.

Please adhere to IEEE regulations when using the IEEE LOGO.
